

from START FINISH

If you're thinking of becoming a VCMaven franchisee, here's a quick look at a few of the key steps in the process of partnering with us from start to finish! Get in touch with us today to learn more about what to expect as a new franchisee.

1

REACH OUT TO US

When you let us know you're interested in becoming a franchisee, we'll set up a time to talk and learn more about your goals.

2

FORMAL APPLICATION

You'll apply to become a franchisee, and we'll review your background to make sure you're qualified to move forward. You'll also have the chance to review our franchise disclosure document to learn all about our business model.

3

SIGN AGREEMENT

You'll sign your franchise agreement and officially start down the road to becoming a VCMaven business advisor! You'll pay your initial fees and start your training.

4

TAKE PART IN TRAINING

Learn everything you'll need to start brokering business deals and advising business owners in our training program. Be sure to take part in our ongoing training and support as you move forward!

5

OPEN FOR BUSINESS

Set up shop right in your own home office and get ready to help the businesses in your community to buy, sell, and expand through franchising!

This is just a quick look at the process of franchising with VCMaven from start to finish.

Contact us today to learn more about these steps, what happens next, and everything in between!
